Overcoming the Obstacles to Cloud Adoption

By Frank Jacquette

Jun 17, 2013 2:06 pm PDT

Cloud computing in the life sciences industry grew dramatically in 2012, and the trend will gain speed in 2013. The cloud offers many benefits, but it’s not without its disadvantages. To best manage those risks, you must first understand them, so here are the top concerns to consider when going to the cloud.
