ABOUT US

IVT Network is the trusted source for life science validation and compliance professionals to access the most current and relevant industry and regulatory knowledge.

Since 1997, IVT has been dedicated to expanding the global knowledge base for validation and compliance professionals in FDA-regulated industries. Starting as two peer-reviewed publications, the *Journal of Validation Technologies (JVT)* and the *Journal of GXP Compliance (GXP)*, IVT has since evolved into IVT Network, a digital platform dedicated to providing professionals with a world of knowledge at the click of a button.

Our members have exclusive access to unparalleled information through distinguished peer-reviewed journals, training videos, special editions, protocols, SOPs, whitepapers, conferences, webinars, networking events, and more.

5 Ways IVT Network Will Accelerate Your Professional Development

- 1 Expand Your Knowledge**
Our two quarterly, peer-reviewed publications, *Journal of Validation (JVT)* and *Journal of GXP Compliance (GXP)*, provide unbiased regulatory and industry guidance to keep you up-to-date and compliant with FDA regulations.
- 2 Secure Industry-Specific Solutions**
Access expert insight and tangible solutions for industry-specific environments including Process Validation, Cleaning Validation, Computer and Software Validation, Facilities Utilities and Equipment, GCP (Good Clinical Practice), GLP (Good Laboratory Practice), GMP (Good Manufacturing Practice), Method Validation, and more!
- 3 Connect and Collaborate with Colleagues Globally**
Benefit from unparalleled networking opportunities with other IVT Network members.
- 4 Shop Tools and Resources**
Choose from over 200 **content-specific products** including training videos, standard operating procedures, protocols, validation master plans, special editions, conference compendiums, and white papers.
- 5 Receive Exclusive Savings**
Members save on annual conferences, company membership packages, networking events, plus year round bonus offers, and value-packed opportunities.
