“Compliance Case Studies” (CCS) provides a forum for compliance practitioners to share information about actual compliance experiences. Previous discussions addressed a wide range of compliance activities. Previous case study titles discussed in this series include the following: Equipment Cleaning and Visual Evaluation, *Journal of GXP Compliance (JGXP)*, V13, #1, Winter, 2009. Questionable Equipment Qualification, *JGXP*, V14, #1, Winter, 2010.
