This One-Voice-of-Quality (1VQ) position paper is part of a series of industry case studies intended to demonstrate the standard application of the principles outlined in the publication “Effective Management of Post-Approval Changes in the Pharmaceutical Quality System (PQS) - Through Enhanced Science and Risk-Based Approaches Industry; One-Voice-of-Quality (1VQ) Solutions” in *PDA Journal of Pharmaceutical Science and Technology*, 2020 [1]. Furthermore, this 1VQ position paper provides a practical application of the concepts described in ICH Q9, Quality Risk Management [2], ICH Q10,...
