

Critical Thinking, Assessing Risk, and Patient Safety – Setting the Record Straight on CSA

Ronald Schardong

By

Mar 22, 2022 7:00 am EDT

We have entered an era of accelerated digitalization in Life Sciences. Innovation has been thrust upon many across industries as a need to work remotely, automating tasks and virtual collaborations were necessary during the pandemic. Maintaining this accelerated pace, fully embracing the adoption of technology and automation, is the next hurdle we face. Will CSA get us there? Here to demystify the CSA shift is Ron Schardong, Sr. Director of Quality at J&J.
