

Disrupting the Risk Paradigm - on Risk Revolution

By **Karen Ginsbury** 

Nuala Calnan

Sep 14, 2021 7:00 am EDT

This week on Risk Revolution, a monthly series of Voices in Validation podcast, we invite two industry experts, Nuala Calnan and Karen Ginsbury for a thought-provoking discussion on what disruption, innovation and adaptation offers, to not just shift the paradigm but break the cycle on the ways in which we "have always done things around here."
