In this episode our series coordinators, Lori and Nuala, invite their guest Amanda McFarland to chat about ***Living the Risk Life***. How do we take our colleagues on a journey from dreading their participation in the risk process to actually living a work-life? How can we build a culture that embraces risk management?

Risk Revolution, a monthly series of the Voices in Validation, brought to you by the IVT Network. This series aims to advance the maturity of risk management practices within the industry, addressing topics that challenge quality professionals to seek opportunities to improve and advance how they perceive and manage risk.
