

The (DRUM)Beat Goes On...

Timothy J. Fields

By

May 25, 2013 6:01 pm EDT

On October 26, 2006, the pharmaceutical community lost one of the giants in the areas of quality and validation, Kenneth G. Chapman. Many of those new to the Pharmaceutical Industry may not realize that a number of the concepts being discussed today are similar to the concepts and approaches proposed by Ken Chapman approximately 30 years ago.
