

GXP Talk: Questions 30 & 31

May 14, 2013 9:37 am EDT

This article is one of a continuing series in which representatives of the industry and the regulatory agencies have an opportunity to express opinions on current GXP issues.

Thank you for your responses to questions 30 and 31 posed in the Autumn 2009 issue of the *Journal of GXP Compliance*. The questions are repeated below and the responses follow.
